

Writings Library

A verified l

An index of Apostolic authors and their works - the books, histories, and periodicals of the Oneness Pentecostal movement, from the founder generation to the present day. Every entry below has been verified against the work itself, its publisher's catalog, or the research library's holdings; titles that could not be verified were left out rather than guessed.

Authors

- G. T. Haywood - Founding pastor of Christ Temple, Indianapolis; first presiding bishop of the Pentecostal Assemblies of the World - 1
- Frank J. Ewart - First-generation evangelist of the Jesus-name message; editor of Meat in Due Season - 1

Notes on This Index

Entries were verified against the works themselves, publishers' catalogs (Pentecostal Publishing House, Word Aflame Press, Truth Book Company), and the research library's holdings, which include David K. Bernard's writings and the classic insider histories. Bernard's full corpus runs to more than thirty works; those indexed here are the titles the research has verified.

One correction the research settled: no book titled The Future of Oneness Pentecostalism in the United States exists. The similarly named volume is The Future of Pentecostalism in the United States (2007), and its chapter on the Oneness movement's future - "The Future of Oneness Pentecostalism" - is by David K. Bernard, listed above.
